

To whom it may concern,

We had the pleasure of having Fred Sarkari speak at our annual Greater Vernon Chamber Business Awards Gala. Fred had 350 people captivated within 2 minutes due to his dynamic presentation style and the delivery of his message the entire time he was on stage. There was no doubt he spoke from his heart, and truly lived the message he shared.

There are many speakers a company can bring into their organization, but if you are looking to make a life time impact for your team and organization, Fred is completely worth the investment.

I have heard Fred speak on other occasions, and his style and message never disappoint to the point I feel it is critical for every organization to have the opportunity to bring Fred in and present his message.

Chamber Awards and Gala nights are one of the most important events in all communities. I would highly recommend any Chamber to bring Fred in to speak at their main events. His real life and relevant stories will not only captivate your members, but will solidify your theme into everyones hearts.

As I am also the Director of Sales and Marketing, Wesbild Okanagan, and work for Predator Ridge golf course we are so looking forward to having Fred present and speak to all of our team members in April of this year.

I highly recommend Fred Sarkari for any event you may be having.
